

St. Anthony Catholic School Welcomes Students Back to School!

St. Anthony Catholic School welcomed teachers and students back this week with its highest opening enrollment number in years, at 130 students. The first Mass of the school year was held on Tuesday where 8th grade students prayed intentions for world leaders, school leaders, teachers, students, the church, and the community. Prior to the opening of school, Saint Anthony Catholic School held their annual Back to School Night with the opening message of having a spirit of service and keeping your flame burning bright with Faith, Family, Knowledge and Service that inspired families as they enter a new school year. Families had the opportunity to build community with each other, tour the building and meet teachers, with a special unveiling of the renovations to the library and the playground. Families also were excited for students to reveal a snippet performance of the highly anticipated March 2024 school musical, "Fiddler on the Roof JR".

Principal Kristine Galemmo commented, "We are thrilled to welcome existing and new families back to campus to share in the spiritual growth and academic and moral development of our students. We pride ourselves on being known for our sense of community and service, parent involvement, student engagement and leadership, faith formation, and academic excellence. We look forward to a wonderful new year of shaping the hearts and minds of children."

St. Anthony Catholic School, a 3K-8th grade school is accredited by Cognia through the North Central Association Commission on Accreditation and School Improvement, the Northwest Accreditation Commission, and the Southern Association of Colleges and Schools Council on Accreditation and School Improvement.
