

St. Anthony Catholic School Launches Inaugural Cross Country Team, Celebrates Early Success

Sebastian Narvaez

St. Anthony Catholic School is thrilled to announce the launch of its inaugural Cross Country team, which has already made a remarkable impact in its first season. The team recently showcased their talent at the race held at Darlington Middle School, where our Bears put forth an outstanding performance, marking the beginning of what promises to be a memorable season.

A special congratulations goes out to Sebastian Narvaez, who finished in the top 10 at the race and is currently ranked #1 in South Carolina for the Middle School 5K division. His exceptional achievement not only highlights his hard work but also sets a high standard for our new team.

In an impressive display of skill and determination, 10 athletes recorded personal records (PRs) during the race, and the boys team secured an impressive 3rd place finish overall. This level of performance in their inaugural competition is a testament to the dedication of our student-athletes and the effective coaching they receive.

"We are so proud of our Cross Country team for their accomplishments already this season," said Principal Kristine Glemmo. "These students have shown incredible spirit and resilience, and we are excited to see how they continue to grow as athletes and as a team."

A heartfelt thank you goes to Coach Daniel Lorenzo, whose commitment and constant support have been invaluable to the athletes. Coach Lorenzo's guidance has not only prepared the team for competition but has also fostered a positive and encouraging environment that promotes teamwork and personal growth.

As St. Anthony Catholic School continues to nurture young talent in various sports, we invite the community to support our Cross Country team as they embark on this exciting journey. With their dedication and hard work, there is no limit to what they can achieve in upcoming years.
